PROMISE TO PROTECT PLEDGE TO HEAL
 Protecting God's Children

Did you know?

Together we prevent abuse and protect children & young people

National Child Abuse Prevention Month (April) is a good time to review the ways in which we work together as a community of faith to prevent abuse and protect children and young people. The Archdiocese of Los Angeles stands resolute in its commitment to report allegations of sexual misconduct to law enforcement, support victim-survivors and protect minors and the vulnerable. An updated flyer which summarizes the efforts of the Archdiocese to ensure that our parishes, schools and ministries are safe places for children and young people is available at <https://lacatholics.org/protect/protect-resources/>.

Sabia Usted?

Juntos prevenimos el abuso y protegemos a los niños y jóvenes

El Mes Nacional de Prevención del Abuso Infantil (abril) es un buen momento para revisar las formas en que trabajamos juntos como comunidad de fe para prevenir el abuso y proteger a los niños y jóvenes. La Arquidiócesis de Los Ángeles se mantiene firme en su compromiso de reportar alegaciones de conducta sexual inapropiada a las autoridades policiales, apoyar a las víctimas-sobrevivientes y proteger a los menores y a las demás personas vulnerables. Un folleto actualizado que resume los esfuerzos de la Arquidiócesis para garantizar que nuestras parroquias, escuelas y ministerios sean lugares seguros para niños y jóvenes está disponible en <https://lacatholics.org/protect/protect-resources/>.

JESUS GUIDE FOR THE BLIND

That is why **Jesus deserves our full and absolute trust**, because He sees many things that we do not see, because our knowledge is limited and distorted. 1 Cor 13:12. Now we see as if by mirror, darkly; But then we will see face to face. Now I know in part; But then I will know how I was known.

Just as the seer can help the blind a lot, so as not to stumble or put his foot in the well, so Jesus is the most indicated to trace the path of Life, because only He knows it, with much more data than we have. **Thus, we see helping those of Emmaus to understand everything** that happened from the light of Scripture.

Many of us experience that same helplessness: Knowing that God exists, that He came to mark the path of life, and having to deal with the foolishness and blindness of those who dare to deny His mere existence, without giving themselves to the task or listening to topics, reasons, and simply making the bad decision to believe that everything was done alone and that a creator is not needed for the beauty of this creation to be made. came into existence; They just shut themselves off to thinking about it, and believing in something so fundamental that it has to do with the very meaning of life in this world.

Like the blindness of those who give their vote for the worst possible politicians, who already know that they are going to pass iniquitous, immoral laws that will bring death and social and economic destruction, but you cannot convince them that they should not vote for that candidate or party, because they **do not want to hear** such a thing, nor listen to the opposition, They just want to continue being deceived by the same means that has been deceiving and indoctrinating them, and as a saying goes, *many prefer to continue being deceived than having to recognize that they were deceived.*

Thus, many are **like blind, thinking that God does not exist** or believing that the bad guy is the good guy, but they don't want to see Him any other way. And those **of us who are sure of its existence**, who experience it and have seen it again and again, feel the helplessness of not being able to do anything to open the eyes of those blind and the ears of those deaf, because they do not want to see, nor do they want to hear anymore.

It is the worst misfortune that a human being can suffer, the STAGNANCY, which occurs when he decides to close his ear and not want to know more, as if he were God; he believes that he already knows everything, that he already knows the truth and does not want to continue listening, learning, much less is he willing to change his positions. That's being tightly sealed. It is **pitiful and worthy of compassion**, worse than paralyzed legs, it is the soul that was atrophied unable to advance further in its development.

We cannot lose hope, as God does not lose it with any of us, nor did He lose it with His disciples, with patience He taught them again and again, with words and deeds, with examples and miracles, He always accompanied them. We must **act as He did, with our relatives and acquaintances**, with patience, prayer, reasons... and hope that one day they will open themselves to God and the light will come to them, so that they can follow their progress and spiritual maturity. **JS not only guides us but gives us back our sight. HE IS OUR LIGHT.**

JESUS GUÍA DE CIEGOS

Por eso Jesús merece nuestra plena y absoluta confianza, porque Él ve muchas cosas que nosotros no vemos, pues nuestro conocimiento es limitado y distorsionado. 1 cor 13,12. Ahora vemos como por espejo, oscuramente; mas entonces veremos cara a cara. Ahora conozco en parte; pero entonces conoceré como fui conocido.

Así como el vidente puede ayudar mucho al invidente, para no tropezar ni meter el pie en el pozo, así también Jesús es el más indicado para trazarnos el camino de la Vida, pues solo El lo sabe, con muchos más datos de los que tenemos nosotros. **Así vemos ayudando a los de Emaús a entender todo** lo sucedido desde la luz de la Escritura.

Muchos experimentamos esa misma impotencia: Saber que Dios existe, que nos vino a marcar el camino de la vida, y tener que lidiar con la necesidad y ceguera de los que se atreven a negar su mera existencia, sin darse a la tarea ni de escuchar temas, razones, y simplemente tomando la mala decisión de creer que todo se hizo solo y que no se necesita un creador para que la belleza de esta creación viniera a la existencia; simplemente se cierran a pensar en eso, y a creer en algo tan fundamental que tiene que ver con el mismo sentido de la vida en este mundo.

Como la ceguera de los que dan su voto por los peores políticos posibles, que ya se sabe que van a aprobar leyes inicuas, inmorales, que traerán muerte y destrucción social y económica, pero no puedes convencerles de que no deben votar por ese candidato o partido, pues ellos **no quieren escuchar** tal cosa, ni escuchar a la oposición, ni ver ni estudiar más, solo quieren seguir siendo engañados por el mismo medio que los ha venido engañando y adoctrinando, y como dice un dicho, *muchos prefieren seguir siendo engañados a tener que reconocer que estaban engañados.*

Así, muchos están **como ciegos, pensando que Dios no existe** o creyendo que el malo es el bueno, pero no quieren verlo de otra manera. Y **los que estamos seguros de su existencia**, que la experimentamos y hemos comprobado una y otra vez, **sentimos la impotencia de no poder hacer nada para abrir los ojos de esos ciegos** ni los oídos de esos sordos, porque no quieren ver, ni quieren oír más.

Es la peor desgracia que puede sufrir un ser humano, el ESTANCIAMIENTO, que se da cuando decide cerrar su oído y no querer saber más, **como si fuera Dios; cree que ya sabe todo,** que ya conoce la verdad y no quiere seguir escuchando, aprendiendo, ni mucho menos está dispuesto a cambiar sus posturas. Eso es estar herméticamente cerrado. Es **lamentable y digno de compasión**, peor que unas piernas paralizadas, es el alma la que quedó atrofiada incapaz de avanzar más en su desarrollo.

No podemos perder la esperanza, como no la pierde Dios con ninguno de nosotros, ni la perdió con sus discípulos, con paciencia se los enseñaba una y otra vez, con palabras y obras, con ejemplos y milagros, los acompañó siempre. Hay que **actuar como El hizo, con nuestros familiares y conocidos,** con paciencia, oración, razones... y esperar que un día se abran a Dios y les venga la luz, para que puedan seguir su progreso y maduración espiritual. JS no solo nos guía, sino que nos devuelve la vista. **EL ES NUESTRA LUZ.**

SCHOOL STUDENT NON-DISCRIMINATION POLICY

The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, national origin, and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school.

The school does not discriminate on the basis of race, color, disability, medical condition, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools.

While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities and the resources available to the school in meeting the student's needs.
